

Frame

Having a 1½” square tube aluminum construction with ¼” ABS shelving this durable all aluminum powder-coated frame is made to endure season after season.

Casters

Towel Cabana rolls easily on non-corrosive casters that lock in place for added stability. Casters have a 4” diameter and are 1¼” thick.

SurLast® Fabric

Choose straight seam or scalloped seam canopy edge style made from an all-weather marine grade fabric that is highly UV-, mildew-, mold- & water-resistant.
